

Welcome to the first Urban Cellar Door in Wollongong!

Our Story

We love the NSW South Coast! All of our wines are passionately crafted an hour south of Wollongong by local winemaker, Simon Hall. All the grapes are sourced from NSW regions such as the Hilltops, Central Ranges, Orange and the Southern Highlands. Simon has been involved in the wine industry since 2004 and has worked at various vintages at wineries within Australia and overseas. Regions he has worked include the Hunter Valley, Riverina, McLaren Vale, Southern France, Napa Valley and New Zealand.

The chutneys, olives and cheeses are all sourced locally from various small businesses such as Kangaroo Valley Gourmet, Maxwell Treats in Berry, Unicorn Cheeses in Nowra, Tilba Real Dairy and the craft beer is brewed at 5 Barrel Brewery in Wollongong.

We offer over 25 different wines and wine styles from dry whites, sweeter whites, reds, wine spritzers, flavoured wines, wine cocktail jugs and our very popular Chocolate Tawny.
